Reading changes lives

To become a great learner, you need access to great books.

Library For All brings you the best in culturally diverse, age appropriate, high quality learning resources to foster a lifelong love of learning.

We know that reading is the foundational skill that sets a child up for success throughout their literacy and learning journey.

Confident young readers become engaged lifelong learners.

Literate adults have higher rates of employment, better physical and mental health, and greater agency in their day to day lives.

Reading is transformational

It goes without saying that learning to read requires access to books. But not just any books.

For children to learn to read, and learn to love reading, they need a comprehensive, high quality library, that is equally educational and engaging.

Reading acquisition is a complex cognitive experience, beginning with letter recognition and phonics, then expanding into an infinite maze of words, ideas, and imaginative adventures.

Library For All’s culturally diverse, age appropriate, carefully curated collection takes emerging readers on this journey from learning to read, to reading to learn.

Children learn best when they have access to books they are excited to read

Library For All’s collection spans early level phonics-based stories through to dynamic, informative texts for upper primary learners.

Readers at home or in the classroom can connect with reading at a level that provides just the right balance of confidence building, practice, and challenge.

At every level, cultural diversity is a priority, so that children can see their own lives reflected in stories, and discover the amazing wider world outside their s.
Library For All

We believe that education brings opportunity, and we’ve made it our mission to make knowledge accessible to all, equally.

Library For All delivers education technology to low-resource communities across the world using our evidence-based curatorial approach to meet each community’s specific needs. We partner with the world’s leading aid and development organisations so that we’re there when the books are not, ensuring that every child can access the tools they need to break the cycle of poverty.

From remote communities in Papua New Guinea, to the deserts of Ethiopia and schools in Southeast Asia, Library For All is already supporting more than 410,000 children on their learning journey. As a result, we know that children reading with us recognise 71% more words than their peers.

We won’t stop until every child can learn, does learn, and enjoys learning.

sales@libraryforall.org to order today.
Everything that you need for your library.

Library Books – A5 books
Designed and manufactured for classrooms and libraries in the world's most challenging and remote locations. Our Library Books are full colour, soft cover, A5 books printed on Forest Stewardship Council certified paper stock (where possible) and perfect bound with a polyurethane reactive adhesive for maximum durability.
Minimum order quantity 1,000.

Let's Read Together – big books for the classroom
Our A3 Let's Read Together big books include 5 full colour illustrated stories, curated by reading level with a broad mix of themes and story dimensions and comprehension questions for classroom use. Designed in partnership with educators around the world, each book is printed on Forest Stewardship Council certified paper and metal wire bound for maximum flexibility in a classroom setting.
Minimum order quantity 20.

Let's Read At Home – magazine storybooks
Our magazine storybooks include 5 full colour illustrated stories, curated by reading level with a broad mix of themes and story dimensions. Manufactured on low-cost paper stock and printed in high-volumes to achieve an extremely low price point these magazine storybooks can be widely distributed and recycled or repurposed at end-of-life.
Minimum order quantity 1,000.

Library Storage Boxes
Protecting valuable learning resources in all learning environments is easy with our library storage boxes. Our plastic storage boxes are manufactured in Australia from BPA free heavy duty plastic, are weather resistant and hold up to 150 titles in A5.
Minimum order quantity 25.

sales@libraryforall.org to order today.
An integrated, secure, digital classroom in a box.

The Accelerate Digital Learning Platform is our digital classroom in a box, designed in partnership with the world’s leading aid agencies for education programming in the most remote learning environments imaginable.

The Spark Kit
Spark is our flexible, fully integrated, easily deployed, hardware solution for offline communities.
It features a fleet of 40 tablet computers loaded with our award winning learning platform.
Spark arrives ready for use in a lockable and easily transportable commercial-grade storage case and includes an in-built charging system, secure local area network and back-up battery.
It requires no internet connection, and can also be used fully off-grid with an optional solar panel and battery system providing all the power it needs.

Library Application
A high quality, expertly curated library of culturally diverse, age appropriate, original, illustrated children's reading books.

Elevate Application
Our award winning, field-proven, gamified independent learning tool for developing literacy, numeracy and writing skills.

InFocus Application
Giving you total control for your digital classroom by securing the platform and creating a safe and secure learning environment.

Insight Dashboard
Enabling teachers to monitor student progress and easily tailor learning interventions.

Lift Dashboard
Supporting students on their learning journey with real-time feedback on performance.

Illuminate Dashboard
Providing comprehensive monitoring & evaluation capabilities.

Pacific Plus Collection
A levelled collection, so our library can grow with our readers.

Library For All uses reading levels to help teachers, parents and carers find books best suited to developing readers' literacy needs and interests.

Our reading levels offer a ‘reading runway’ approach empowering readers to progress at their own speed, or with educator guidance, regardless of age or class level.

1. Beginner readers
Start your reading journey with short words, big ideas and plenty of pictures. 10 - 20 words.

2. Rising readers
Raise your reading level with more words, simple sentences and exciting images. 20 - 50 words.

3. Eager readers
Enjoy your reading time with familiar words, but complex sentences. 50 - 200 words.

4. Progressing readers
Develop your reading skills with creative stories and some challenging vocabulary. 100 - 300 words.

MP

Curious readers (Middle Primary)
Discover your world through science and stories. 400 words +

UP

Adventurous readers (Upper Primary)
Explore your world through science and stories. 400 words +
A curated collection, so our readers can enjoy a diverse range of content.

Along with cultural diversity, our content dimensions ensure our library delivers a carefully curated balance of themes, concepts, and learning tools.

Windows & Mirrors
Our curatorial target for any collection is 70% windows / 30% mirrors. This ensures opportunities for ‘own voice’ narratives and cultural representation are encouraged, but also allows readers to explore themes and issues of global relevance.

Fiction & Non-Fiction
Our curatorial target for any collection is 60% fiction / 40% non-fiction. Evidence has shown that lively, localised fiction is particularly engaging for young readers. It is also often a gap in existing published collections, which commonly focus on education books, rather than creative narratives.

Content Pillars
We categorise our content across four pillars to offer balanced subject coverage: Cultures and Communities; Health and Hygiene; Science and the Environment; and Sports, Arts & Recreation.

Gender Representation & Equity
Our curatorial target for representing women and girls in leading roles in our narratives is >50%. We purposefully redress the historical gender imbalance in character-driven storytelling by ensuring women and girls are not just visible but drive the narrative in a substantial number of books.

Disability Inclusion
We strive to positively discuss disability representation and inclusion. This includes books that explicitly discuss the lived experiences of people with different abilities to encourage support and understanding. It also includes books that show people with different abilities represented in wider narratives, including in lead roles, as equal participants in the action, such as in classrooms, on sports fields, or in family groups.

Sustainability
We are committed to addressing sustainability and environmental stewardship. We consciously include books to open discussion around issues like recycling and reuse, waste disposal, climate change, and natural hazards (floods, cyclones and storms).
Caterpillar
Margaret Embahe
I am a caterpillar, I wriggle to get around.
