Reading changes lives

To become a great learner, you need access to great books.

Library For All brings you the best in culturally diverse, age appropriate, high quality learning resources to foster a lifelong love of learning.

We know that reading is the foundational skill that sets a child up for success throughout their literacy and learning journey.

Confident young readers become engaged lifelong learners.

Literate adults have higher rates of employment, better physical and mental health, and greater agency in their day to day lives.

Reading is transformational

It goes without saying that learning to read requires access to books. But not just any books.

For children to learn to read, and learn to love reading, they need a comprehensive, high quality library, that is equally educational and engaging.

Reading acquisition is a complex cognitive experience, beginning with letter recognition and phonics, then expanding into an infinite maze of words, ideas, and imaginative adventures.

Library For All’s culturally diverse, age appropriate, carefully curated collection takes emerging readers on this journey from learning to read, to reading to learn.

Children learn best when they have access to books they are excited to read

Library For All’s collection spans early level phonics-based stories through to dynamic, informative texts for upper primary learners.

Readers at home or in the classroom can connect with reading at a level that provides just the right balance of confidence building, practice, and challenge.

At every level, cultural diversity is a priority, so that children can see their own lives reflected in stories, and discover the amazing wider world outside their windows.

Library For All

We believe that education brings opportunity, and we’ve made it our mission to make knowledge accessible to all, equally.

Library For All delivers education technology to low-resource communities across the world using our evidence-based curatorial approach to meet each community’s specific needs. We partner with the world’s leading aid and development organisations so that we’re there when the books are not, ensuring that every child can access the tools they need to break the cycle of poverty.

From remote communities in Papua New Guinea, to the deserts of Ethiopia and schools in Southeast Asia, Library For All is already supporting more than 410,000 children on their learning journey. As a result, we know that children reading with us recognise 71% more words than their peers.

We won’t stop until every child can learn, does learn, and enjoys learning.

Papua New Guinea Collection
Everything that you need for your library.

Library Books – A5 books
Designed and manufactured for classrooms and libraries in the world’s most challenging and remote locations. Our Library Books are full colour, soft cover, A5 books printed on Forest Stewardship Council certified paper stock (where possible) and perfect bound with a polyurethane reactive adhesive for maximum durability.
Minimum order quantity 1,000.

Let’s Read Together – big books for the classroom
Our A3 Let’s Read Together big books include 5 full colour illustrated stories, curated by reading level with a broad mix of themes and story dimensions and comprehension questions for classroom use. Designed in partnership with educators around the world, each book is printed on Forest Stewardship Council certified paper and metal wire bound for maximum flexibility in a classroom setting.
Minimum order quantity 20.

Let’s Read At Home – magazine storybooks
Our magazine storybooks include 5 full colour illustrated stories, curated by reading level with a broad mix of themes and story dimensions. Manufactured on low-cost paper stock and printed in high-volumes to achieve an extremely low price point these magazine storybooks can be widely distributed and recycled or repurposed at end-of-life.
Minimum order quantity 1,000.

Library Storage Boxes
Protecting valuable learning resources in all learning environments is easy with our library storage boxes. Our plastic storage boxes are manufactured in Australia from BPA free heavy duty plastic, are weather resistant and hold up to 150 titles in A5.
Minimum order quantity 25.

sales@libraryforall.org to order today.
An integrated, secure, digital classroom in a box.

The Accelerate Digital Learning Platform delivers digital classroom in a box, designed in partnership with the world’s leading aid agencies for education programming in the most remote learning environments imaginable.

The Spark Kit
Spark is our flexible, fully integrated, easily deployed, hardware solution for offline communities.
It features a fleet of 40 tablet computers loaded with our award winning learning platform.
Spark arrives ready for use in a lockable and easily transportable commercial-grade storage case and includes an in-built charging system, secure local area network and back-up battery.
It requires no internet connection, and can also be used fully off-grid with an optional solar panel and battery system providing all the power it needs.

Library Application
A high quality, expertly curated library of culturally diverse, age appropriate, original, illustrated children’s reading books.

Elevate Application
Our award winning, field-proven, gamified independent learning tool for developing literacy, numeracy and writing skills.

InFocus Application
Giving you total control for your digital classroom by securing the platform and creating a safe and secure learning environment.

Insight Dashboard
Enabling teachers to monitor student progress and easily tailor learning interventions.

Lift Dashboard
Supporting students on their learning journey with real-time feedback on performance.

Illuminate Dashboard
Providing comprehensive monitoring & evaluation capabilities.

A levelled collection, so our library can grow with our readers.

Library For All uses reading levels to help teachers, parents and carers find books best suited to developing readers’ literacy needs and interests.

Our reading levels offer a ‘reading runway’ approach empowering readers to progress at their own speed, or with educator guidance, regardless of age or class level.

**Beginner readers**
Start your reading journey with short words, big ideas and plenty of pictures.  
10 - 20 words.

**Rising readers**
Raise your reading level with more words, simple sentences and exciting images.  
20 - 50 words.

**Eager readers**
Enjoy your reading time with familiar words, but complex sentences.  
50 - 200 words.

**Progressing readers**
Develop your reading skills with creative stories and some challenging vocabulary.  
100 - 300 words.

**Fluent readers**
Step up your reading skills with playful narratives, new words and fun facts.  
200 - 400 words.

**Curious readers (Middle Primary)**
Discover your world through science and stories.  
400 words +

**Adventurous readers (Upper Primary)**
Explore your world through science and stories.  
400 words +

A curated collection, so our readers can enjoy a diverse range of content.

Along with cultural diversity, our content dimensions ensure our library delivers a carefully curated balance of themes, concepts, and learning tools.

Mirrors & Windows
Our curatorial target for any collection is 70% mirrors / 30% windows. This ensures opportunities for ‘own voice’ narratives and cultural representation are encouraged, but also allows readers to explore themes and issues of global relevance.

Fiction & Non-Fiction
Our curatorial target for any collection is 60% fiction / 40% non-fiction. Evidence has shown that lively, localised fiction is particularly engaging for young readers. It is also often a gap in existing published collections, which commonly focus on education books, rather than creative narratives.

Content Pillars
We categorise our content across four pillars to offer balanced subject coverage: Cultures and Communities; Health and Hygiene; Science and the Environment; and Sports, Arts & Recreation.

Gender Representation & Equity
Our curatorial target for representing women and girls in leading roles in our narratives is >50%. We purposefully redress the historical gender imbalance in character-driven storytelling by ensuring women and girls are not just visible but drive the narrative in a substantial number of books.

Disability Inclusion
We strive to positively discuss disability representation and inclusion. This includes books that explicitly discuss the lived experiences of people with different abilities to encourage support and understanding. It also includes books that show people with different abilities represented in wider narratives, including in lead roles, as equal participants in the action, such as in classrooms, on sports fields, or in family groups.

Sustainability
We are committed to addressing sustainability and environmental stewardship. We consciously include books to open discussion around issues like recycling and reuse, waste disposal, climate change, and natural hazards (floods, cyclones and storms).

A man needs to take three things across the river, but he can only take one at a time. What order should he take them in?

Mona And The Turtle
Caroline Evari
Mona finds a turtle in the drain. That’s not where it’s meant to be!

Great Migrations
Brittney G. Borowiec
When animals move to a different place when the seasons change, it is called a migration. Do you know any animals that migrate?

How Many Legs?
Kevin Pels
Different animals have different numbers of legs! How many legs do you have?

Snowflakes
Cathryn Freund
In places where it’s very cold snowflakes fall from the sky. Learn about all the different kinds of snowflakes!

Flying Fox And The Cockatoo
Gabriella Sabu
Did you know that flying foxes and cockatoos used to be friends? They used to help each other search for food.

Four Short Stories From PNG
Nathalie Aigil
This book includes four beautiful short stories for Papua New Guinea: “My Grandma and I”, “Hellen’s First Grass Skirt”, “A Place My Papa Goes Home”, and “Mat Man Game.”

Houses Around The World
Cathryn Freund
People live in lots of different houses all over the world! What is your house like?

Seeds And Plants
Cathryn Freund
Do you know how a tiny seed becomes a huge tree? Do you know why plants have flowers?

Spiders
Kevin Pels
Are you scared of spiders? You might be less scared of them once you learn more about them!
The Moon
Kevin Pels
Can you see the moon? Do you know why sometimes the moon is bigger?

Spirals
Cathryn Freund
Spirals are a great shape! Can you think of anything which is a spiral shape?

Vegetables
Kevin Pels
Do you like to eat vegetables? Do you know why they’re important to eat?

Let’s Start From Home
Khemendra Kumar
Piles of rubbish are creating a mosquito plague. What can we do? We can start making a change right here at home.

Sally’s Lucky Socks
Rhianne Conway
Sally loves to play basketball! She can dribble and shoot and pass … as long as she is wearing her lucky socks. But one day, her lucky socks are nowhere to be found.

Tahlia The Tortoise Finds The Way Home
Claire Raylor
Tahlia the tortoise has found a new home! It’s fun to explore this thing called a ‘garden’ but Tahlia has to think on her feet when she strays a little too far.

Teeth
Brittney G. Borowiec
We all have all different kinds of teeth to help us eat!

I’ll Ride With You
Michelle Worthington
When Rach takes a new friend on a bike ride to show her around, they meet lots of new friends.

Where’s Louie?
Fiona Ware
Louie likes to play outside with his trucks. One rainy day, his mum insists he has to stay in and find a different game. But he is not happy!

Busy Busy
Rachelle Sadler
Malia has lots of work she needs to do, but all she wants to do is explore!
Dinner With The Dipples
Annette Campbell
There’s a fly in the food! Which member of the Dipples family will be fast enough to catch it?

The Dyer’s Hand
Tracy Vonder Brink
Most cloth is naturally white, brown or beige---boring! To make more colourful fabric the cloth needs to be dyed.

Amy’s Metaphor
Elisa Oh
Amy has to describe herself as a metaphor for her school assignment. She’s struggling to think of what to write. People don’t understand what it’s like for her to be both North Korean and German.

Seacoast Secret
Nancy Dawson
In the ocean I see a creature I’ve never seen before! Brown, furry creatures that look like little bears. I wonder what they are?
### Papua New Guinea Collection

**Let’s Read Together – 5 fun stories in 1 big book**
